Our Code of Good Practice

England Family Mortuary, Inc. is the only local funeral home to be invited to membership in Selected Independent Funeral Homes. As funeral directors, our calling imposes upon us special responsibilities to those we serve and to the public at large. An important obligation is to provide information so that everyone can make knowledgeable decisions about funeral and cremation services.

In accepting our responsibilities, and as a condition of our affiliation with Selected Independent Funeral Homes, we affirm the following standards of good practice: **We pledge to conduct ourselves at all times in a manner deserving of the public trust and to provide a copy of this Code of Good Practice to the families we serve.**

1. To provide the public with information about funeral and cremation services, including prices, functions and the responsibilities of funeral directors.
2. To make services available in as wide a range of price categories as necessary to meet all segments of our community, and to affirmatively extend to everyone the right to inspect and freely consider them all.
3. To quote conspicuously in writing the charge for every arrangement offered, and to clearly identify the services, facilities, equipment and merchandise included in such quotations.
4. To adhere to the highest standard of conduct in all aspects of business.
5. To afford an ongoing opportunity to all persons to discuss or arrange funerals in advance.
6. To ensure that pre-need contracts fully disclose those items which are guaranteed and those which are non-guaranteed, in terms that are clear and easy to understand.
7. To manage prepaid funds responsibly, ensuring that promises are honored, and expectations are met, within the letter of the law.
8. To make no representation, written or oral, which may be false or misleading and to apply a standard of honesty in all dealings.
9. To furnish each family, at the time arrangements are made, with a written memorandum of charges and to make no additional charge without their approval.
10. To respect all faiths, creeds and customs, and to give full effect to the role of clergy / celebrant.
11. To maintain qualified and competent staff, appropriate facilities and suitable equipment required for comprehensive funeral and cremation services.
12. To assure those we serve the right of personal choice in making service arrangements.
