We Are Selected & Independent

An important obligation is to provide information so that everyone can make knowledgeable decisions about funeral and cremation services.

In accepting our responsibilities, and as a condition of our affiliation with Selected Independent Funeral Homes, we affirm the following standards of good practice: **We pledge to conduct ourselves at all times in a manner deserving of the public trust and to provide a copy of this Code of Good Practice to the families we serve.**

If you do not want embalming, you usually have the right to choose such an arrangement that does not require you to pay for it, such as direct cremation or immediate burial. All embalming is performed by a licensed professional staff or agents, who may on occasion be assisted by registered apprentices to the extent allowed.
